

Press Release:

WCJ Pilgrim Wire Announces the Opening of WCJ Worldwide and the Expansion into Europe's Markets.

Monday July 25, 2011

WCJ Pilgrim Wire has launched WCJ Worldwide, headquartered in Ireland, with distribution in: Poland, England, and Spain. This will allow customers in Europe to have access to the same great stitching wire and other products WCJ Pilgrim Wire offers to customers in other markets.

WCJ Pilgrim Wire is a distributor and manufacturer of Stitching Wire for the printing industry and Box Stitching Wire for packaging and corrugated box manufacturers. WCJ Pilgrim Wire has a long history in these core areas and has become a leader in the printing, packaging, and corrugated box industries.

WCJ Pilgrim Wire is an independent company headquartered in Glendale Wisconsin. The company is focused on meeting the specialized needs of small, medium, and large businesses and their professionals. WCJ Pilgrim Wire is located at 4180 N. Port Washington Road, Glendale Wisconsin. For additional information, please contact us at + 1 414 291-9566, or online at www.wcjwire.com.
